60V MAX* POWER SHOVEL

31 CM BATTERY POWERED SINGLE STAGE
POWERED BY FLEX-FORCE POWER SYSTEM™

HASSLE-FREE SHOVELLING.

The only way to shovel is to Power Shovel with Toro. Go big with 2-speed battery power in a light, easy and fast package. Easily shovel 31 cm wide and 15 cm deep through snow in the tightest of spaces. Clears decks, patios, walkways and driveways that can hold up to 4 cars with a get-up-and-throw 7.6 m attitude.

IDEAL FOR

PAVEMENTS AND DECKING

BLUE FEATURE

ULTIMATE POWER AND CONTROL

Two speeds to choose from right at your fingertips. More power when you want it, and more control when you need it.

BLUE FEATURE

SHREDS SNOW FAST

Efficiently shreds through snow and throws it up to 7.6 metres with Power Curve® Technology.

SUPER EASY, NO-FUSS STORAGE

The sleek, compact design means you can easily store it for quick use and have plenty of room for the stuff that really matters.

* Battery manufacturer rating = 60V maximum & 54V typical usage. Actual voltage varies with load.
