TORO

60V* SNOWMAX e24

61 CM BATTERY POWERED TWO-STAGE SNOW BLOWER
POWERED BY FLEX-FORCE POWER SYSTEM™

STAND UP TO WINTER'S WORST

Tear through the roughest snow and ice in record time. The 61 cm (24") SnowMax e24 Snow Blower gives you the battery power to clear up to a 11-car driveway on a single charge. Even the street plow mountain at the end of the driveway. Snow blow at your own speed with Automatic Drive Self-Propel.

IDEAL FOR HEAVY SNOWFALLS

POWER UP

All the features you love – Quick Stick® chute control, rugged 38 cm tyres, anti-clogging system, and more.

GO THREE ROUNDS WITH OLD MAN WINTER

The only snow blower with three battery ports, this machine has all the power you need to get the job done right.

SUB ZERO MATERIAL

Chute, deflector and Anti-Clogging System are made of a special cold-weather material durable to -75° C and guaranteed for life. It's also rust-free and snow and ice won't stick.

*Battery manufacturer rating = 60V maximum & 54V typical usage. Actual voltage varies with load.

AUTOMATIC DRIVE SYSTEM®

Self-propel technology that doesn't push or pull you around. It goes when you go, in perfect harmony with your walking pace, plus, rear-wheel drive for better traction in any snow condition.

PUT SNOW ANYWHERE YOU WANT

With Toro's Quick Stick chute control, you can aim for the exact spot where you want to put snow.

LIGHTNING FAST

Tear through rough snow and ice in record time with the powerful, engineered auger. With a tall auger housing and guaranteed-for-life chute, even the toughest end-of-driveway snow has met its match.

QUICK STICK® CHUTE CONTROL

Quickly change the chute AND deflector direction with a single, smooth motion thanks to the Quick Stick chute control.

CHOOSE YOUR BATTERY POWER

2 x 6.0 Ah batteries and charger included. Use any 60V Max* Flex-Force battery across all tools.

GLIDE OVER SURFACES

Make manoeuvring even easier by breezing over driveway obstacles and garage floors with metal enforced poly skid shoes. No scuffs or skid marks left behind.
