

TORO

HoverPro® Series

Hover Mowers

HOVERPRO TACKLES TOUGH UNDULATIONS, STEEP SLOPES, AND BANKS WITH EASE.

The Toro HoverPro is perfect for maintaining turf on steep slopes, tight undulations, areas near water or bunker lips. A light footprint makes the HoverPro easy to operate while its rugged design ensures years of quality performance.

Nylon Wire Cutter – (HoverPro 400 & 450)

Steel Cutting Blade – (HoverPro 500 & 550)

toro.com/hoverpro

FEATURES

- HoverPro 500 and 550 feature an industry leading 14" (35.5 cm) impeller for maximum lift and smoother mowing.
- Exceptionally strong and lightweight ABS injection-molded deck
- Better control and greater stability in extreme conditions and difficult cutting areas.
- High power-to-weight ratio (comparable to 2-stroke engines) thanks to weight-conscious engineering.

The Toro HoverPro is perfect for maintaining turf on steep slopes, tight undulations, near water or bunker lips. A light footprint makes the HoverPro easy to operate while its rugged design ensures years of quality performance.
