RIDE IN STYLE

Tackle tough jobs with style while you mow with a handcrafted seat that provides the ultimate in padding and back support.

OUT OF THE ELEMENTS

Keep Mother Nature off your back while you mow with protective mud guards. Unlike the competition, these are standard on all TimeCutters. Not only do the guards shield your engine from tire spray, they also prevent backsplash on you.

HASSLE-FREE MAINTENANCE

Spend less time maintaining your mower with tool-less oil change and filter, and belt cover. Simply unlatch the belt cover and easily sweep away debris to prevent deck corrosion and belt wear. Self-cleaning air filter keeps the engine running smoothly and efficiently.

EASY CLEANING

Blast away grass buildup, caked-on mud and other debris under your cutting deck with washout ports you can directly attach to your garden hose.
