ZERO PETROL, ZERO COMPROMISES.

IMPRESSIVE BATTERY CLEARING POWER

With the two included 7.5 ah batteries, easily clear up to 200 m² in up to 25 cm of snow. With a third battery port on board, you can go even further.

STAY THE COURSE

Heavy snow is routed away from chute and back into the auger to reduce clogging with Toro's patented Anti-Clogging System.

PUT SNOW ANYWHERE YOU WANT

With Toro's Quick Stick chute control, you can put snow exactly where you want it. Quick Stick instantly reacts with a single, smooth motion that lets you aim snow one meter or 14 meters away.
