61 CM TWO STAGE SNOWMAX®

STAND UP TO WINTER'S WORST.

Toro's SnowMax series delivers the performance you need to take on winter's toughest conditions with confidence and control. Whether you choose the **60V Max SnowMax e24** for cordless operation or the **SnowMax 724 QXE CE** for petrol-driven power, both models are built for efficiency, reliability, and ease of use. Designed to clear deep snow quickly and effectively, the SnowMax series helps you keep your driveways, paths, and outdoor spaces accessible, even in the harshest winter weath

IDEAL FOR CONCRETE & ASPHALT SURFACES

BUILT FOR HEAVY SNOWFALL

A 61 cm clearing width moves more snow in fewer passes, helping you clear paths and driveways quickly.

THROWS SNOW WHERE YOU NEED IT

Engineered for power, both models can throw snow up to 12 metres, making quick work of deep drifts.

EASY-TO-USE CONTROLS

Quick Stick® chute control lets you adjust the direction and distance of thrown snow effortlessly.
