Introducing the Reelmaster® 5010-H with PowerMatch™ Technology

**The industry's first and
only fairway mower with
a true hybrid drive system.**

Reelmaster® 5010-H features

Welcome to the Future of Hybrid Mowing!

Exclusive Hybrid Drive System

PowerMatch technology enables the Reelmaster 5010-H to seamlessly match the power generated to the power required for traction and cutting based on the mowing conditions.

Significantly Reduced Maintenance

The move from hydraulic to electric cutting units eliminates hoses, fittings and fluid along with over 100 potential leak points.

Proven Reliability & Performance

Built on the time-tested Reelmaster 5010 Series platform, the Reelmaster 5010-H delivers exceptional durability, high performance, versatility and comfort.

Save 20% of Fuel Costs on Average

With an average fuel savings of 20% over comparably equipped conventional mowers, and an economy mode that can save substantially more, the Reelmaster 5010-H is easy on your budget.

Precise Monitoring & Control

The onboard InfoCenter™ provides precise control of reel speed and clip rate. In addition, the technician has access to system information, alerts, service reminders, diagnostics and more.

Superior Aftercut Appearance

Electric cutting unit motors permit precise and consistent reel speed and clip rate control.

The New Reelmaster® 5010-H A True “Game Changing” Hybrid Fairway Mower

The new Reelmaster 5010-H Fairway Mower features exclusive PowerMatch™ Technology to seamlessly deliver the power you need, when and where you need it, for flawless fairway playing conditions. In fact, the Reelmaster 5010-H can readily deliver over 40 horsepower on-demand for climbing steep hills, verticutting or scalping.

You shouldn't have to sacrifice mowing power to realize true efficiency and labor savings. Three years of real-world field testing have proven not only that the Reelmaster 5010-H has the power to perform in the most rigorous golf course conditions, but it also saves you significant time and money. In short, the Reelmaster 5010-H is a true “game-changer”.

Interchangeable Cutting Units

Interchangeable 5 or 7 inch cutting units, in either 8 or 11 blade configurations, allows you to create the perfect cut for a wide range of turf conditions.

Choose from a full range of 5010-H Attachments and Accessories

A wide range of attachments are available including groomers, rear roller brushes, grass baskets, a sunshade and our CrossTrax® all-wheel-drive system – to name a few.

Count on it.
